tion as Speaker.

super-ede Howard, who is not much were being administered as they shipped this season is from his own of an Idaho Indian fighter.

The war feeling is growing stronger in England.

There is a split in the Republican County Central Committee of San the fact that a man of great ability | So the Carson Tribune of last eve-

German settlers in the Dobruescha plained to Russia and Turkey of their ill treatment by the soldiers of both countries.

It is probable that Axtell's Mormonism will cost him his governorship in Arizona.

DESERT LAND.

The following will explain itself: DEPARTMENT OF THE INTERIOR, GENERAL LAND OFFICE,

cisco, California, Gentlemen: -I have | would be an assured fact. He would received your letter of the .6th inst., in which you desire instructions as to wanther in cases of applications has name would be a tower of under the act to provide for the sale strength to the rest of the ticket. He of desert 1 and, approved March 31st, is the people's candidate. 1877, you have the right, in order to satisfy yourselves of the good faith of applicants, to require proof that the land is capable of being irrigated and that the applicant has made an appropriation of water that can be used for the purpose.

In reply you are advised that it is your right and duty to require full proof from applicants, showing in every particular, that they are in good faith endeavoring to acquire title in accordance with the provis-ions of said act. Very respectfully, J. A. Williamson,

Commissioner. if registers and receivers will be strict and careful in receiving proof located under the Desert Land Law that is not desert land, no: where the application is not in good faith.

HOPELESSLY DEMOCRATIC.

of Mississippi with a similar address | ticket. declining to put any ticket in the election

In some respects the law of Germany is in advance of the United mere pastime and recreation inhu-States. The act of November 14th, | manly killed the whole party except 1869, protects all mortgages to a lib one who managed to clude them and eral extent against foreclosure—an escape. These are the first Chinaact of indescribable benefit to the men who have been molested by the large class among the poor who wish Indians of late, and many of them to acquire real property. Another are hightened out of their wits and act protects all wages against attach- leaving the upper country. ment, unless actually earned and not called for at the regular day of payment. All mechanical trades and thirty days of the fiscal month of the professions are regulated, always, Consolidated Virginia just ended, the ignorant, and the struggling.

AN EXCEPTION TO THE "ORDER."-President Hayes has dec ded that as the National Republican committee will have no political duty to perform for three years there can be no objections to federal officials retaining their membership, and thus they do not come within the restrictions of the recent order. The test cases were those of P. M. Filley of St. Louis and Assistant Secretary Mc-Cormick, both of whom are members of the National committee. This decision has created considerable surprise.

Os the 5th, the rate of discount at the Bank of England was reduced from 3 to 2; per cent, and on the at Malone and refuses to allow his 12th it was further reduced to 2 per secenity to be ruffled by the many cent. Financiers regard the reduction as evidence that no material drain on the reserves is expected, and further that the European war will be localized and of short dura been 2 per cont. for about a year. This is the lowest figure over accepted. | Justice 400. Total, 1,580 tons.

THE MAN FOR THE PLACE.

It is not surprising that the project of securing the nomination of reka Sentinel remarks: WARROE COUNTY OFFICIAL PRESS Thos. P. Hawley for Governor should. The Reno JOURNAL is disposed to and shouting at the thought that even at this early day. there is a chance for such a man to be called upon to grace the Execuof being betrayed; would recognize sister State of California. distinguish the Right from the Oh, fie. | Wrong, and would maintain the Right at all times and under all circumstances. He combines, more says: than any other man named in connection with the office, all the qualities needed to give us good Governmont, to insure an honest and economical administration of State af-

DIFFERENCE OF OPINION.

The Enterprise disagrees with us on the proposition that California street rings endeavor to "put up" electioneering jobs, or name our candulates. Raiston, Sharon or D. O. Mills could probably tell the Enterprise differently. It also thinks our reference out of place. Possibly. But we have always been laboring under the impression that the Bank From the above it will be seen that of Cilifornia, the Central Pacific Railroad, the Virginia and Truckee, and the great mining corporations under the Desert Land Act there will have nad always a great deal to say day. The organization is stronger be but little danger of land being about who should not be elected to to-day than it ever was before. office in Nevada. But with Hawley for Governor they would all take a on to name Batterman, Woodburn, order. Daggett, Curtis and Kinkead as being first class men for the position. A dispatch to the New York Herald | We have no objection to some of from Washington says: The action them. But our idea in advocating of the Mississippi Republicans in Hawley was to insure success for the disbanding is regarded as the begin- Republican ticket. We have had a ning of a movement on the part of Democratic Governor for eight years Republicans of all the Southern We want a Republican for the next States, which are hopelessly Demo- eight. The great trouble with some cratic, to suspend their contest and of the men named is they couldn't be allow their opponents to divide, if elected if nominated. Hawley has they will, into Hayes and anti-Haves | the confidence of the people to such Democrats. The Georg a Republi- an extent that there is no such thing cans will, it is predicted, follow those has fail with him at the head of the

field or make any contest at the next | Os the 10th instant Joseph and his band surprised a party of thirtyone Chinamen, who were coming down Clear Water in canoes, and for

Biggest Run Yet.-During the with particular kindness to the poor, says the Enterprise, the California mill crushed 9,524 tons of ore, being an avacrage of over 317 tons per day. This is not only the largest amount ever reduced by any of our mills during a like number of days, but is the best average per stamp yet recorded, being over five tons per day for each stamp run.

> At the recent presidential election in Liberia, Africa, the people voted on several amendments to the constitation, one of which allowed white I men to own land and become citizens of the republic. The amendment was, with the rest, defeated by a vast United States Marshal and Messenger in Bank replay for said District jyld-td. majority.

Vice Passident Wheeler is enjoying excellent health at his home about him.

THE daily yield of the principal mines of the Comstock is as follows: tion. Up to May 21, the rate had Ophir 45 tons, California 550, Consolidated Virginia 500, Chollar 85,

NEVADA POLITICA,

Under the above heading the Eu-

receive such hearty endorsement open next year's campaign in this from the Republican press of the lican organ, and the leading one of State, as well as the silent God, anead W. State as well as the silent God, and the silent God, and the silent God, and the silent God, and the silent God, anead W. State as well as the silent God, and the silent God, anead W. Every decent matters from a Republican standman feels like throwing up his hat delates will be found interesting

Mone Wood -- That enterprising Foster's friends predict his elective Office. With Thos. P. Hawley farmer, Mr. Richard Kirman of Carona's Speaker.

in the Gubernatorial chair the peoment of wood yesterday. In this lot It is probable that Gen. Crook will ple would know that affairs of State was 12 000 pounds, and all he has should be; would feel that we had a flocks. Talk about the future of this man in whom the most implicit con-State, and it having no agricultural facilities why it is all bosh. Nevada fidence could be placed, with no fear is yet in its infancy, as indeed is our

Francisco. It is likely to divide the was acting Governor, and that no ning remarks. It may be well to outsider need be called in to write a add that Manning & Duck bought message, or hant up the law on any the lot of wool refered to in the are seriously suffering from the war. Hawley would be Governor. He Carson has produced this year. And point which a question demanded, above, and have bought all the wool has a mind of his own, and can easily still Carson complains of Reno.

The Eureka Republican of July 11

The furnaces of the Eureka Consolidated turned out yesterday tweuty-four tons of bullion. This is the product of only two furnaces, one of which was started day before yesterday and has not yet got to running to its full capacity. In a few days fairs, to place Nevada in the lead as the daily product will reach twenty one of the very best governed States six or twenty saven tons. Taking WISHINGTON, D. C., June 1, 1877) in the Union. Should the Republicate average value of the Suntana, Register and Receiver, San Franceaus nominate him his election monthly product will even at this rate exceed \$200,000. The supply of ore is permanent and independent of sweep the State like wild-fire, and the ground in dispute with the Richmond company. This is good reason for a still higher use in Consolidated stock.

> Thom Reno -Our lively young friend Isaac Chamberlau, Deputy Sheriff of Washoe county, favored the Tribune office with a visit this morning. Isase has been doing some attaching for Gilson & Birber in the

DE HAST HET CHAA

On The Wing. WEBBER LAKE

When we first beheld this beautiful sheet of water our temper, which had become very dry and crabbed because of the dusty ride, was suddealy refreshed, and before the team had fairly come to a stand still we were capering around on the green grass sward and yelling to the driver to stop the stage. Our word was law and in a few minutes the horses tent, and the la lies, bless their dear | visit. souls, were bringing forth the provisions.

After supper the men lighted their cigars and sat around the camp-fire. while the gentle sex being pretty well fatigued stole silently to their couch and were soon lost in the swest. blissfulness of sleep. The "braves" soon followed suit and nothing transpired to interrupt the pleasant dreams. of the campists throughout the night.

Webber Like is situated twentyfour miles from Truckee among the Inguest peaks of the Sterra Nevadus and is five miles in circumference, mediate vicinity. Bath-houses are o her at McFarland's hotel or at Almuety feet deep, and well stocked also to be found, and the young hope pusherical Elliott's; another menand is five miles in circumference. with beautiful solver trout.

This is one of the most popular Summer resorts in California, and thoso who desire to spend a week or the heated city should pay their resthe heated city should pay their respects to Webber. The hotel is under the sport, we meekly placed washed washed valley found the secret of der the management of A. J. Anderson, who treats guests in a very hosprable manner.

MEADOW LAKE.

On Saturday the party started for the above place. The road was rather rough, but the scenery was grand. Winding around the mounthis side, up steep reclivities, down but vill give Mess Enma Crocker commend us to the dwellers in the threatening slopes, was the order of the capital and the tradeout town of Reno. They can't exercises for eight miles. The lathes broke the monotony by occasionally alighting from the coach and enjoying a snow bill by the road side. Miss May Crocker was the champion at this business, and we mildly admit that she took us by the heels and very forcibly ejected our head through the crust of a and once more we found ourselves in huge snow-drift.

By the side of the lake is the wreck eight hundred inhabitants and the business done was immense. The houses, many with their roofs broken while the remainder are but dilapdated memerities of the once lively rewarded by seeing the parties come camp. Towards night we made our down out of the nills back of the way back to camp tired and sleepy,
